ATTN. Audrey Arbeeny, Founder/Executive Producer

Dear Ms. Arbeeny:

I listened to the Audiobrain audio files containing an original musical composition created for the Unify music tracks titled (a) *Unify\_MASTER Approved\_60\_Brand Theme*, (b) *Unify\_Sound\_Signature* (reviewed 11/08/13).

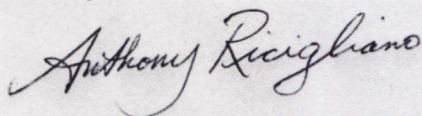

After carefully reviewing the musical content of this selection, I concluded that the Unify music tracks titled above do not contain any substantive or protectable musical material that is substantially similar to any other copyrighted material, of which I am aware, to justify any claim of copyright infringement.

Any similarity between this musical composition and any other musical work is presumably coincidental and/or is due to the use of basic musical elements or musical material that is characteristic to the style or type of music utilized within this composition.

Therefore these music tracks may be utilized for commercial purposes.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Anthony Ricigliano  
Musicologist
